Gentlemen:

In checking our well files, we find that we are without a completion report for the Gillette No. 8 well, drilled by Sharrow and Apperson in the Korta field of Weld County, Colorado. The location of this well is 6 NW NW, Section 9, Township 9 North, Range 61 West. The well was a deep test, the only one in the Korta field, to our knowledge.

We would also like to request a copy of the electric log if one was run. Thank you for your attention to this matter and please advise us if we can be of any service to you.

Yours very truly,

OIL AND GAS CONSERVATION COMMISSION
OF THE STATE OF COLORADO

James A. McKee, Petroleum Engineer
