Location of Concern	vibrations/ noise are coming from up the hill to the east of our home. The extraction sight on Burroughs property is the apparent origin
Do you know who the oil and gas company is? If so, please specify and if you contacted them already please indicate that and who you talked with.	Extraction Oil and gas
Email Address	j21995cp@gmail.com
Would you like to answer additional optional questions related to the issues you are experiencing? If so, click the appropriate issue from the below list. If not, click "NO". Then click "Continue".	Noise
Is it noise you hear, noise you feel, or both?	Both
Do you know the source of the noise?	Unknown
Is it continuous or intermittent?	Intermittent
Does the noise sound like any of the following?	Other
If other, specify.	vibration
Is it happening right now?	,
Noise Additional Comments (The more details the better)	the sounds and vibrations are building like the last time before the big explosions.
Is it happening right now?	,
Detailed description of the issue or issues.	,today the vibrations and noise were happening around 8 am and again tonight just before 5 pm. The episodes are happening more and more frequently and with greater intensity for longer periods of time.

	The ground vibrates, the sound escalates - rumbles and gets louder. Inside my house the cabinets are vibrating and things are coming off the walls.
Does the noise typically occur the same time of the day? If so, please specify the time (i.e. early morning, early evening, etc.)	varies
