Would you like to answer additional optional questions related to the issues you are experiencing? If so, click the appropriate issue from the below list. If not, click "NO". Then click "Continue".	Noise
Is it noise you hear, noise you feel, or both?	Both
Do you know the source of the noise?	Unknown
Is it continuous or intermittent?	Intermittent
Does the noise sound like any of the following?	Other
If other, specify.	vibration
When did the noise start?	1/1/2016
Is it happening right now?	Yes,
Noise Additional Comments (The more details the better)	noise volume varies, from time to time but vibrations keep increasing.
Is it happening right now?	Yes,
Detailed description of the issue or issues.	,vibrations are so intense you can feel them on the floor of the house just standing there. The cabinet doors are vibrating against

	the cabinets. It is happening now about 10:15 pm. This was just happening a few hours ago. It is eery because the frequency keeps building up and the intensity increases.
<b>Does the noise typically occur the same time of the day? If so, please specify the time (i.e. early morning, early evening, etc.)</b>	varies
