Denver, CO 80203

RE: **Operator Certification, Rule 305.a.(2), Pre-Application Notifications Location Name:**  
Grinde 1-64-5\_4 NWSW Pad  
NWSE Quarter of Section 5, Township 1 North, and Range 34 West, Weld County, Colorado  
**Well names:**  
Grinde 01-64-05-3340B, Grinde 01-64-05-4841C, Grinde 01-64-05-4841B, and Grinde 01-64-05-6457CB

Attn: Director Lepore:

Pursuant to Rule 305.a.(2), whereby for any Oil and Gas Location within the Buffer Zone Setback, the Operator shall provide a "Notice of Intent to Conduct Oil and Gas Operations" to the Surface Owner and Building Unit Owners within 1000' of the Oil and Gas Location not less than thirty (30) days prior to submitting Form 2 APDs.

A "Notice of Intent to Conduct Oil and Gas Operations" to the Surface Owner and Building Unit Owners within 1000' of the Oil and Gas Location, Grinde 1-64-5\_4 NWSW, was sent on 11/13/2017.

Bill Barrett Corporation (BBC) hereby certifies to the Director that BBC has complied with the pre-application notification requirements stated in the aforementioned rule. BBC also certifies that all Building Unit Owners within the Buffer Zone received the pre-application notice and proof of their receipt is kept on file with BBC.

Sincerely,

Brian James  
Land Manager, Surface
