Inspection #688300937  
1/3/2018  
Reinspection

A photograph of an industrial site, likely a water well or oil pumpjack. In the background, a large, weathered metal machine with orange accents is visible behind a chain-link fence. The foreground features a black sign with white text, also behind a fence. The ground is dry and dusty, and the background shows a flat, open landscape under a clear sky.
