**General Comments****User Group****Comment****Comment Date**

Environmental	The operator has addressed the wells in the email from 1/4/2018.  A review of information available on COGIS maps indicates that there is no water feature that meets the 100 series definition of a water source within 1/2 mile of the oil/gas well(s) that has not been properly addressed by the operator.	01/05/2018
Environmental	Returned to Draft for correction.  An email was sent on 1/4/2018 requesting additional information regarding two water wells not addressed in the original Sundry.	01/04/2018
