Comment:

Operator has submitted a final reclamation variance under Form 4 Document # 401455607. The variance request is to leave the approach, gate, and rock stockpile. COGCC staff emailed the Operator December 13, 2017 to notify the Operator for additional language needed in the signed surface owner letter. COGCC staff has not received the amended surface owner letter as of January 5, 2018 but the Operator did say it would be provided shortly. Once the amended surface owner letter is received COGCC will coordinate with the Operator on the final decision.
