All risers have been LOTO and marked on this location. In the November update to COGCC, we stated the

Operator Comment: following - BP will postpone the remaining abandonment work during the winter season. BP will resume abandonment work in the spring of 2018 and will resume providing monthly progress updates at that time. When these risers have been permanently abandoned a Form 42 will be filed to notify the COGCC of their permanent abandonment. See attached photos of

COGCC Decision: Approved

COGCC Representative: Approved using operator submitted photo documentation.

OPERATOR COMMENT AND SUBMITTAL

Comment: The NTO risers have been addressed by LOTO and paint see attached photos. A new sign is on order for the injection well 3 on location and will be placed as soon as it arrives as well as a new tank label put into place at that time. An additional FIRR will be filed to address the remaining 2 CA's
