Comment: [Appears the Operator has performed final reclamation activities at the location and the access road. Mulch has been applied to the location and access road to temporarily stabilize the seeded soil. Operator shall continue to monitor and manage this site until the location meets Rule 1004 standards. A follow-up final reclamation inspection will be conducted at a future date to ensure compliance with Rule 1004 standards. Refer to the attached inspection photos for more detail.](#)
