CORRECTIVE ACTIONS:

1 ☒ CA# 114142

Corrective Action: Comply with Rule 603.f. to control and manage weedy, annual vegetation to prevent weed debris and to prevent dispersing seeds onto adjacent lands.

Date: 02/02/2018

Response: CA COMPLETED Date of Completion: 01/31/2018

Operator Comment: To comply with Rule 603.f all of the weeds were mowed and removed from around the production equipment. Due to heavily drifted snow, a minimal area could not be mowed. These areas will be addressed when the snow drifts melt off. Bonanza Creek will continue the annual weed treatment around production equipment, but will also add interim reclamation areas to the weed treatment scope of work. Please see the attached pictures to verify the completed corrective actions.
