Response: FACTUAL REVIEW REQUEST

Basis for Review: Equipment belongs to the surface owner

Operator Comment: CA for Fencing is inappropriate as fence is not required for this location. As per 1002.a.(3), Surface owner did not request fencing. Portions of fence may be dropped to the ground to accomodate operational activities.

COGCC Decision: Not Approved

COGCC Representative:	CA is not referring to Location fencing; but Panel fencing at Well Heads area. If fencing is installed it must be maintained to avoid creation of Workplace / Wildlife (livestock) Safety & Housekeeping Corrective Actions. Fencing that is down and not adequately repaired is considered debris.
