

Hi Miss Karen,

THE BEST WE CAN FIGURE IS
THAT OUR WATER WENT BAD SOMEWHERE
IN NOV. OR DEC OF 08.

AFTER WE NOTICED OUR R.O.
WATER WAS NO GOOD WE ORDERED
A NEW MEMBRANE FOR R.O. ON
1/3/08.

THAT GOT WASTED UPON CONTACT
OF WATER SO WE ORDERED A
2ND MEMBRANE ON 1/18/08.

SAME THING HAPPENED.

ORDER A NEW UNIT ON
2/4/08 - STILL NO GOOD BUT
THE SUPPLY WATER SEEMED TO BE
BETTER THEN BEFORE.

THANKS. BERNIE
