RE: **Statewide Fracture Stimulation Setback Waiver – COGCC Rule 317(s)**
EMMY STATE H25-777 Horizontal Well
Township 3 North, Range 65 West, 6th P.M.
Section 13: S/2SW/4
Section 24: W/2
Section 25: W/2
Section 36: NW/4NW/4
Weld County, Colorado

Dear Ms Lowe:

Noble Energy Inc. ("Noble") plans to drill the EMMY STATE H25-777 Horizontal Well (the "Well"), with a wellbore lateral as depicted on the enclosed plat.

Our records indicate that PDC Energy, Inc. operates the following well(s) which are located within 150' from our proposed horizontal wellbore lateral:

VON FELDT 1-25B – located 109 feet from the proposed subject well!

Colorado Oil and Gas Conservation Commission ("COGCC") Rule 317(s) provides that no portion of a proposed wellbore's treated interval shall be located less than one hundred fifty (150') feet from any existing or permitted oil or gas wellbore, but this requirement may be waived in writing by the operator of the encroached upon well.

Noble respectfully requests that PDC Energy, Inc. waive this requirement and allow Noble to drill the Well as proposed. Accordingly, by executing this letter, PDC Energy, Inc. waives COGCC Rule 317(s) and grants its consent to allow Noble to drill the Well within the 150' minimum intra-well distance provided for in said rule.

If you have any questions or need any additional information, please call me at (720) 587-2055.

Very truly yours,
NOBLE ENERGY, INC.
