DISCLAIMER: This general arrangement drawing (GAD) has been generated for a preliminary discussion of a proposed access road, pipeline, drill site or other type of facility. The location and arrangement thereof are approximate and subject to change at any time, whether due to on-the-ground surveys, regulatory requirements or (without limitation) other factors. Reclamation plans do not reflect cut and fill slopes and are subject to change as data is acquired. This GAD is confidential and its duplication or distribution requires written permission from BP America Production Company.
