Comment: [The Commission first adopted reclamation rules in 1977 and significantly revised these rules in 1996 and again in 2008. As this Location was P&A before 1977, the year in which The Commission first adopted Reclamation Rules, it is being Passed for Final Reclamation. Although Vegetation & Contouring would not pass by Today's Standards, there are No Subsidence, Weed, Safety, Stormwater or Documentation issues related to the Site. Refer to Photos attached.](#)
