Re: Final Reclamation Agreement
Klinzman 7-11 (Pit) (OGCC Facility ID #304010)
Township 4N Range 46W
Section 11: NENW
Yuma County, Colorado

Dear John:

J-W Operating Company (JWOC) is the operator of the Klinzman 7-11 Pit ("Pit"). The Pit was permitted to be used as an Earthen Pit in 1998. This size of the pit is unknown. Since that date this pit has been properly covered and is no longer in use. All associated production facilities and any trash or debris connected to the previous oil and gas operations have been removed from the Pit site.

In accordance with the requirements of COGCC Rules 306.a and 306.f, an on-site review of the planned reclamation of the Well site was conducted by Dan Timmer on February 23, 2018. Reclamation of the Pit site and the access road had previously been completed. The Pit site area, shown on Exhibits A and B, has been recontoured to approximate the pre-disturbance land form and is being used as irrigated cropland. JWOC will continue to monitor the reclaimed areas, and monitor for and repair any stormwater issues that may arise in the reclaimed areas until such time as the reclamation criteria, as set forth in COGCC Rule 1001 through 1004, have been met and the COGCC bond release has been approved. Access to the Pit site is off of County Road 53.

You, as the Surface Owner, agree that JWOC has fulfilled the requirements set forth by the COGCC for the abandonment of the locations, including reclamation required under COGCC Rules 1001 through 1004, certify that you are the owner of the surface of the lands upon which the well site and road are located. You understand and agree that JWOC shall have no further responsibility or liability for the reclamation area and any former road. You acknowledge that JWOC had previously complied with your direction regarding the final reclamation of the Pit site. You also acknowledge that JWOC has provided you with a copy of COGCC Rule 1001 through 1004. Your acceptance and acknowledgment of the foregoing does release JWOC from its responsibilities for the reclamation of the Pit site in compliance with COGCC regulations, nor do you by signing, accept any responsibility or future liability for the same.

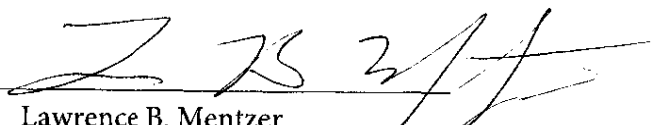

If this letter correctly reflects your agreement, please sign and date this letter in the space provided below and return one copy to the undersigned.

Thank you for your time and consideration in this matter. If you have any questions or comments, please call the undersigned at 972-845-2222.

Sincerely,

J-W Operating Company

By its agent, Miller Mentzer Walker, P.C.
