Dear Director Murphy,

Pursuant to COGCC Rule 305.c., Bayswater certifies that the required notifications to all Building Unit Owners within the Buffer Zone Setback were sent and was available for meeting and/or consultation. Bayswater received no requests for consultation. This letter serves as Operator Certification that Bayswater has complied with COGCC Rule 306.e.

Bayswater respectfully requests the COGCC approve the Form 2A for the Calvary Farms 19-L Pad. Many thanks for your consideration of this matter.

Respectfully,
