CORRECTIVE ACTIONS:

1 ☒ CA# 114686

Corrective Action: E&P Waste not properly stored, handled, transported, treated, recycled, or disposed per Rule 907.

Date: 03/06/2018

Response: CA COMPLETED

Date of Completion: 03/05/2018

Operator Comment: Operator removed and disposed of E&P waste associated with drilling operations from the location.

COGCC Decision: Approved pending re-inspection

COGCC Representative: Approved pending re-inspection of this FIR resolution acknowledges the document was received. It is not an acknowledgement that the corrective action has been passed. A field inspection will be conducted at a future date to evaluate compliance with COGCC standards.

Staff couldn't open attachments to review corrective action work. Staff recommends using a PDF format for attachments.

2 ☒ CA# 114687

Corrective Action: Install or repair required BMPs per Rule 1002.f.

Date: 04/03/2018

Response: CA COMPLETED

Date of Completion: 03/05/2018

Operator Comment: Operator stabilized and compacted areas around sediment traps and compacted the BMP berm slope on the western edge of the location. Operator also installed a vehicle tracking pad at the entrance to the location following removal of rig mats that were used to protect buried pipelines.

COGCC Decision: Approved pending re-inspection

COGCC Representative: Approved pending re-inspection of this FIR resolution acknowledges the document was received. It is not an acknowledgement that the corrective action has been passed. A field inspection will be conducted at a future date to evaluate compliance with COGCC standards.

Staff couldn't open attachments to review corrective action work. Staff recommends using a PDF format for attachments.
