RE: Rule 306.e. Meetings with Building Unit Owners within a Buffer Zone Setback.
Knight Pad: SWNE, Section 30, Township 3 North, Range 68 West, Weld County, Colorado

Dear Director Murphy,

Cub Creek Energy, LLC hereby certifies that it has complied with Rule 306.e, which states that an Operator shall be available to meet with Building Unit Owners who received an OGLA notice or a buffer zone notice pursuant to Rule 305.c. and requested a meeting regarding the proposed oil and gas location. The operator sent notices pursuant to Rule 305.c on November 1st, 2017, and has not received any requests for a meeting to date. Cub Creek Energy, Inc. has communicated in person or via telephone with Building Unit owners within the Buffer Zone. At this time no meeting has been requested or scheduled, but CCE will continue to engage with surrounding owners throughout the process. Cub Creek Energy respectfully requests that the Director approve the wells. Should you have any questions or concerns please contact the undersigned at 720-420-5747.

Sincerely,
