The image shows an oil well pumpjack in a desert environment. The pumpjack is made of dark metal and has a pressure gauge at the top. A horizontal pipe extends from the pumpjack. To the right of the pumpjack, there is a white plastic water collection system consisting of a large white jug on a black stand, with a white plastic basin underneath it. The ground is dry and covered with sparse, low-lying vegetation. In the background, there are rolling hills under a blue sky with scattered white clouds. A black sign with white text is positioned to the left of the pumpjack, providing contact information and location details for Stelbar Oil Corporation.
