Venessa,

I have reviewed the referenced Amended Form 2A Oil &amp; Gas Location Assessment and have the following comments.

1) PDC Energy has included a Leak Detection BMP that a Leak Detection Plan has been attached to this Amended Form 2A. However, no Leak Detection Plan was included. Please send me the Leak Detection Plan and I will attach it to the Amended Form 2A. [Attached](#)

2) Now that the Public Comment period has ended, please send me a letter certifying PDC Energy's compliance with COGCC Rule 306.e. If any meetings/consultations were requested, please also indicate their outcome. [Attached](#)

Please respond to this correspondence by April 29, 2018. If you have any questions, please contact me. Thank you.
