Re: Request for Waiver to Colorado Oil and Gas Conservation Commission ("COGCC") and La Plata County Oil and Gas Setback Regulations for your La Plata County Parcel - Number: 568104300090, Township: 34 Range: 6 SECS 3U-5U ALL. SEC 7U E/2 SE/4. ALL SECS 8U-16U. ALL 17U LS NW/4 SW/4 & SE/4 SE/4 & PT NE/4 OF SEC 18U. SAN JUAN NATIONAL FOREST, State of Colorado.

Adjacent Parcel with proposed wells: 589918400032, Tract located in La Plata County, Colorado to accommodate the Secord 17U-34-6 #2 and Secord 17U-34-6 #3 (Proposed Wells)

Dear Mr. Janowiak,

Please be advised that the proposed Secord 17U-34-6 #2 and Secord 17U-34-6 #3 wells planned to be located on an expansion of an existing pad on a parcel adjacent to a San Juan National Forest parcel may not meet the current setback requirements for minor facilities pursuant to the current COGCC and La Plata County Oil and Gas Regulations. The COGCC and La Plata County presently require a setback of 150' from wellhead to the nearest property boundary line.

BP respectfully requests that you waive the current setback requirements as they pertain to the above referenced wells. If you agree to this request, please sign the waiver below.

Sincerely,

Miles Venzara

On behalf of the United States Forest Service, I, Matt Janowiak, hereby agree to waive the setback requirement pursuant to the COGCC and La Plata County Oil and Gas Regulations for the proposed surface location in the SW 1/4 of Section 17U, Township 34 North, Range 6 West, N.M.P.M. for the Secord 17U-34-6 #2 and #3 wells.

Matt Janowiak

As District Ranger
