Operator Comments:

J-W Operating Company permitted API 05-125-09211 (Location ID: #304969), but the well was never drilled. Thereafter Petron Development came to the same location and drilled API 05-125-09211. We cannot get the COGCC software to allow us to have this location removed from our bond. Let us know what can be done to resolve this issue.

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct, and complete.
