Re: Drilling of the Haffner 41-23, NENE Sec 23, T2N-R64W

Dear Martha,

United States Exploration Inc. plans to drill an oil and gas well, the Haffner 41-23, located in the NENE of Sec 23, T2N-R64W of Weld County, Colorado. The surface owner has the responsibility of notifying any affected tenant of the proposed operations. A brochure describing surface owner rights is available upon request from:

Colorado Oil & Gas Conservation Commission
1120 Lincoln Street
Suite 801
Denver, CO 80203

UXP would like to set up a surface owner consultation meeting in accordance with the requirements of Rule 306. Permission is requested to have a surveyor place a wooden stake **660' from the north line and 660' from the east line of Section 23**. UXP is willing to meet the surface owner anytime to discuss damages, access, and where to place the production equipment.

By signing below, the surface owner waives the above 30 day notification requirements of Rule 305 and 306. Please list below any Rule 305 notice requirements excluded from this waiver.

Martha Haffner
