Comment: Previous inspections documented that location did not meet reclamation requirements and required additional reclamation activities including, but not limited to, compaction alleviation, re-contouring, regrading and revegetation in accordance to COGCC 1000 series reclamation rules and requirements. No additional reclamation activities appear to have been conducted, original corrective action and date remains applicable.

Corrective Action:	Perform reclamation in accordance to COGCC 1000 series reclamation standards including, but not limited to, compaction alleviation, re-contouring, regrading and revegetation. Collaborate with the surface owner to determine mitigating measures that will allow reclamation work to be conducted in such a manner as to not interfere with agricultural activities or crop production. All reclamation activities shall be completed no later than 10/15/2017.	Date	10/15/2017
