General Comment:

On January 31, 2018 COGCC Environmental staff inspected well 081-06297. This was an Environmental Inspection, please assure that corrective actions from previous inspection have been addressed. This inspection does not excuse previous Corrective Actions. The weather was overcast, snow covered and 20 degrees. The well was SI at the time of inspection. It appeared that no snow maintenance was being done on the location. The COGCC database shows 1 pit related with this well, 100407. It appears that the pit was closed between 2011 and 2014. By 5/28/2018, please provide documentation that the pit was closed per rule 905.
