Comment: This location is not in compliance with Rule 1004.a. Reclamation rules require reclamation activities to be conducted within three months of plugging on cropland and all equipment to be removed within three months of plugging. Operator has failed to reclaim a portion of the access road and risers remain at the location. Refer to the attached inspection photos for more detail.

|                           |   |                                 |                          |
|---------------------------|---|---------------------------------|--------------------------|
| Corrective Action:        | Comply with the Reclamation rules to remove (regardless of ownership) all debris, abandoned gathering line risers, and flowline risers, and equipment within three months of plugging (1/23/2017) the associated facility; comply with Reclamation rules to conduct the required reclamation activities within three months of plugging. All work should have been conducted by 4/23/2017. Corrective action date is being back-dated to when the Operator should have been in compliance with Reclamation rules. | Date                            | 04/23/2017               |
