

SUPPORT LETTER

Colorado State Board of Land Commissioners
1127 Sherman Street, Suite 300
Denver, CO 80203
Attn : Christel Koranda

SURFACE USE AGREEMENT

T4N – R62W, 6th PM
Section: 18
Weld County, Colorado

Dear Ms. Koranda,

Pursuant to the Joint Use Agreement dated March 8, 2018 (“JUA”), Confluence DJ LLC (“Confluence”) and Bonanza Creek Energy Operating Company, LLC (“Bonanza”) agreed to cooperatively develop the leases described on Exhibit A attached hereto (the “Leases”).

As part of their cooperative efforts, Bonanza wishes to support Confluence in its efforts to obtain a surface use agreement from the State Board of Land Commissioners of the state of Colorado (the “State”) covering the lands subject to the Leases (the “Lands”). Bonanza has no objection to Confluence and the State entering into a surface use agreement covering the Lands, even to the extent the surface use agreement between Confluence and the State overlaps existing surface use agreements between Bonanza and the State. Further, Bonanza has no objection to sharing the existing access road and the necessary portions of the existing Bonanza pad that overlap with Confluence’s Proposed Pad Layout attached as Exhibit B.

IN WITNESS WHEREOF, the authorized representatives of Bonanza executed this Support Letter as of date set forth above.
