Operator Comments:

The Spacing Unit Changed: 66-66W 10: E/2SW/4, SE/4; 11: S/2; 12: W/2SW/4 which this information did not fit in the Spacing Tab, for unit configuration.

Although we were able to stay within our setbacks, we were unable to complete the permitted path and fell short of the originally approved wellbore unit and therefore needs to modify the wellbore unit via a sundry Form 4.

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct, and complete.
