Dear Mr. Hein:

Attempts have been made to contact you by phone regarding the reseeding of the two captioned locations. To date there has been no response to the telephone messages.

North American Resources Company (NARCO) would like to discuss this matter with you and would appreciate your input on the preparation of the sites for the reseeding process.

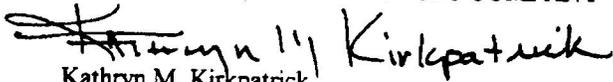

Should you desire to discuss this matter with a NARCO representative, please contact Dan Nelson at (970) 396-1677.

Should there be no response from you regarding this matter within 30 days from the date of this letter, then NARCO will consider the issue closed and that you have decided that both sites are not in need of reseeding.

Again, NARCO desires to work with you on this issue should you find the reseeding necessary.

Sincerely,

NORTH AMERICAN RECOURCES COMPANY
