Attn: Director Murphy:

Pursuant to Rule 306.e, whereby the Director shall not approve a Form 2A or Oil and Gas Location Assessment, for any Oil and Gas Location within the Buffer Zone Setback, the Operator shall certify it has complied with the meeting requirements with Building Unit Owners who received an OGLA Notice or a Buffer Zone Notice pursuant to Rule 305.c and provided information as required by said rule to said Building Unit Owners.

HighPoint Operating Corporation (HPR) hereby certifies to the Director that HPR has complied with the requirements stated in the aforementioned rule. HPR also certifies that all Building Unit Owners within the Buffer Zone received the pre-application notice and proof of their receipt is kept on file with HPR.

Sincerely,
