General Comment:

Operator has submitted Form 15 Pit Permit to the COGCC on 5/31/2018 to permit a pit for use to plug well. This inspection is to document status of location prior to pit construction.

Photos are attached to document site status at the time of inspection.

Inspection of location found the well to have already been plugged and all wellsite equipment removed from location. Form 42 #401650646 was submitted by operator and listed planned plugging date of 5/25/18. Operator shall ensure that future use of pits for well plugging are properly permitted prior to use.
