RE: COGCC Rule 303.b. (3) J.iii. Evidence of Building Unit Owners Pre-Application Notification
McNear 10-9 Pad: NWSE Section 9-T6N-R66W

Weld County, Colorado

Dear Ms. Murphy,

SRC Energy Inc, (SRC) has filed a Form 2A Oil and Gas Location Assessment (OGLA) for the McNear 10-9 Pad.

SRC has provided the required Pre-Application Notifications to all Building Unit Owners within the Buffer Zone Setback pursuant to Colorado Oil and Gas Conservation Commission (COGCC) Rule 305.a. Pursuant to Rule 303.b.(3)J.iii., attached please find proof of delivery receipts for the Building Unit Owners. Please be advised that SRC certifies that Building Unit Owners within the Buffer Zone have received their pre- application notification and proof of receipt is attached to this letter

Please note that all BU's have been notified and received their certified mailer, for all BU's Surface Owner and LGD. Originally, we had sent certified mail to 6 Building Unit Owners, the Surface Owner and LGD on April 2nd, 2018. However, we had two Building Unit Owners that did not pick up their certified mailing for the pre-application, so we had our Surface Landman, Matt Jones, hand deliver the mailing to these two Building Unit Owners on May 2nd, 2018 which is why we added the May 2nd, 2018 date to the 2A for the two Building Unit Owners that received a hand delivering for Mr. and Mrs. Adler along with Mr. and Mrs. Woodmansee. I provided proof for the BU's, Surface Owner and LGD that received the certified mailing along with our first attempt to the Adlers and Woodmansee families.

SRC respectfully requests the COGCC approve the Form 2A for the McNear 10-9 Pad.

If you should have any questions or require additional information, please do not hesitate contacting me at 720.616.4319 or via email at EEKBLAD@SRCENERGY.COM. Thank you for your consideration of this matter.

Sincerely,

Erin Ekblad
Manager of Regulatory Affairs
