

# Final Reclamation Inspection

June 19, 2018

Operator: KERR MCGEE OIL & GAS ONSHORE LP #47120

API: 05-123-16156

Inspection Document #: 682403711

Weld County, CO

SWNW Section 29 T2N R68W

Chris Binschus  
Reclamation Specialist, COGCC

**COLORADO**  
Oil & Gas Conservation  
Commission

Department of Natural Resources

Inspection Photos  
Location Name: SHAW #12-29A  
API: 05-123-16156

**Photo 1.** Photo taken from a portion of the access road, facing East. Photo illustrates an area of pooled water just west of the well location. Staff could not inspect this area of the access road for ruts. Staff did not drive past this point during the inspection.

**Photo 2.** Photo taken from a portion of the northern access road, facing East. Appears a seeding attempt was performed by the evidence of drill rows. Operator may need to perform additional reclamation work as there did not appear to be uniform germination. Operator shall comply with Rule 1004 standards throughout all disturbance areas.
