Operator
Comment:

The lease is scheduled for weed spraying applications in the spring and in the fall of each year. Mowing operations are conducted at least once each year. Under General Comments of the Field Inspection Form, the inspector states "No corrective actions have been met" (from 5-9-17). Please refer to Operator comments and attachments to previous FIRR filings to support our efforts in an attempt to control the weeds. Once again, we are attaching current invoices for weed control.
