Operator submitted Form 4 Final Reclamation Complete Notice (Doc. #401390856); however, the offsite tank battery has not met Rule 1004 standards, as bare patches and weedy, annuals (Kochia) were observed. Please refer to the attached inspection photos for more detail.

Operator shall continue to monitor and manage the offsite tank battery until the location meets Rule 1004 standards, including weed management and stormwater erosion. Operator shall re-submit a Form 4 Final Reclamation Complete notice when the location meets Rule 1004 standards. COGCC may conduct follow-up inspections prior to receiving said notice to ensure compliance with Rule 1004.
