**General Comment:**

UIC/MIT - (5yr.) This is a PR/SI well converting to IJ. Permitting in process @ date of this FIR. Performed MIT - SATISFACTORY. Well is required to remain Shut In until permit approval. Field Inspector Schure mistakenly told Operator rep. to begin IJ on 7/13/2018 and continued IJ between 07/13/2018 and 07/16/2018 after MIT passed on 07/13/2018. COGCC UIC Program informed Schure that IJ permit had not been processed/approved and Operator rep. shut-in well on 07/16/2018 until approval is attained.
