Attention: Mr. Herb White

Gentlemen:

Your attention is called to the No. 1 and No. 2 Yeamans wells, both located in Section 10, Township 2 North, Range 52 West, in the Surveyor Creek field, Washington County, Colorado.

As you will recall, we discussed the matter of bond and certificate of clearance on these wells some time ago. The wells were originally drilled under Allison Drilling Company bond and authority to sell oil or gas cannot be approved until a bond has been posted by Delta Petroleum Company.

Your early attention to this matter will be appreciated.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION  
OF THE STATE OF COLORADO

William R. Smith, Deputy Director
