Re: Wells # 1 and # 2 Yeamans

Dear Sir:

On January 27 we were advised by you that the two wells mentioned above were shut-in, not producing, and that negotiations were being made for sale of these wells to another party who would file bonds when sale was completed.

Please advise us as to the present status. If, and to whom sale was made.

Very truly yours,  
Oil and Gas Conservation Commission

D.V. Rogers, Director

Doucette
