Complaints - DNR, DNR_COGCC <dnr_cogcc.complaints@state.co.us>

Sun, Jul 22, 2018 at 8:39 PM

To: jmaxey@weldgov.com

Mr. Maxey,

COGCC received the complaint below regarding trash and dust along WCR 4. Neither the County Road nor the pipeline construction are under the jurisdiction of COGCC, so I am sending the complaint along to you to review.

Please reach out to me if you have any questions or concerns.

Thank you.

Regards,
Megan Adamczyk
COGCC Complaint Specialist

Subject: [#2554] COGCC Complaint Recieved

To: dnr_cogcc.complaints@state.co.us, john@rmvsupply.com

COGCC received your complaint

Date of Complaint	Jul 21, 2018
Your Name	John Jukkola
Your Address	7212 WCR 4
Your City and State	Brighton CO
Your Zip Code	80603
Your Phone (Used only to follow up)	303-654-9906
Email Address	john@rmvsupply.com
Type of Complaint (Click all that apply)	Dust Waste Management / Dumping
Location of Concern	Weld County Road 4 between County road 15 and 17
Detailed description of the issue or issues.	Massive amounts of dust, absolutely no dust control whatsoever. Plastic water and other bottles along road, more than ever before in my 20 years living here, one water bottle half full of urine
Do you know who the oil and	METE is the pipeline contractor for Discovery Midstream partners or Extraction.

gas company is? If so, please specify and if you contacted them already please indicate that and who you talked with.	Pipeline is being laid to site that has not even had a USR review by Weld County.
Well or facility name and number (If known).	new pipeline
Have you contacted any other agencies or local governments related to this issue or issues? If so, please provide details.	not yet
What is your preferred method for the COGCC to communicate with you throughout the investigation? (Select all that apply)	e-mail
Would you like to answer additional optional questions related to the issues you are experiencing? If so, click the appropriate issue from the below list. If not, click "NO". Then click "Continue".	Dust
Dust	
What time of day are you experiencing the dust?	Daylight hours
Is the dust coming from trucks?	Yes
If the dust is coming from trucks, what road (As detailed as possible)?	Weld Count Road 4
If the dust is coming from trucks, please provide names on those trucks if known.	METE, Safe Harbors, A&W water and various others. lots of pickups and welder trucks
Dust Additional Comments (The more details the better)	If there is no wind the dust hangs in the air for hours in the evening, after they have left.. My Concern is for my wife who suffers from MS
In addition to dust, would you like to answer additional optional questions related to another issue you are experiencing? If so, click the appropriate issue from the below list. If not, click "NO". Then click "Continue".	Waste Management / Dumping

Waste Management / Dumping	
Provide specific location where the dumping occurred	only know about WCR 4 since I mowed in front of the house today
Provide time and date the dumping or waste management issue occurred	no specific
Provide company names on the trucks if known	any of many different trucks, unknown. Just know that there is more plastic bottles along where I have mowed for 20 years, one water bottle half full of urine unless someone had lemonade in clear water bottle
Is the dumped material in contact with surface water?	No
Is the material being buried or covered up?	No
Have you contacted another agency about this issue?	No
In addition to waste management / Dumping, would you like to answer additional optional questions related to another issue you are experiencing? If so, click the appropriate issue from the below list. If not, click "NO". Then click "Continue".	NO -- I JUST WANT TO SUBMIT NOW
