Description

	<p>As of July 20, 2018, backfill of the excavation was not complete and reclamation of the excavated area had not commenced. COGCC has passed this Form 19 to acknowledge receipt of the attached information by the COGCC and does not imply approval of the closure request. COGCC has removed the closure request from this Form 19. The spill remains unresolved until backfill of the excavation is complete and reclamation of the excavated area has been implemented in accordance with the 1000 series rules.</p> <p>Upon completion of the backfill and implementation of required surface reclamation of the disturbed area, Operator shall submit a Form 19 Supplemental Report to request closure. The Form 19 shall include photodocumentation of the surface reclamation of the disturbed area.</p>
