

September 6, 1966

Sunray DS Oil Company  
PO Box 729  
Great Bend, Kansas

You recently submitted a report on your # 5 Wolf Creek Unit  
No. 3, located in Section 1, Township 9 S,  
Range 90 W, in which you indicated a gas test volume.

In order that our records be as complete as possible, please advise if this volume was determined with sufficient data to allow for a calculated absolute open-flow potential, and, if so, please submit such data.

Your cooperation in this matter will be greatly appreciated.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION  
OF THE STATE OF COLORADO

D. V. Rogers  
Douglas V. Rogers, Director
