**RE: COGCC Rule 305.a.: Pre-application Notification  
COGCC Rule 305.a.(1): Urban Mitigation Area Notice to Local Government  
SOUTH WELD SWD 1 & SOUTH WELD SWD 4 wells  
SWNE Section 30, Township 1 North, Range 66 West  
Weld County, Colorado**

Dear Mr. Swain,

In accordance with the requirements of Rule 305.a.(1) of the Colorado Oil and Gas Conservation Commission (COGCC), this letter serves as Urban Mitigation Area Notice to the Local Government Designee by NGL Water Solutions DJ, LLC (NGL) of its intentions to conduct drilling operations on the captioned wells. NGL, as operator, estimates operations to begin within 30-60 days, pending receipt of required permits, approval of title, and drilling rig availability. Additional notice pursuant to COGCC Rule 305.c. will be sent by NGL.

The proposed locations of the subject wells are as follows:

**SOUTH WELD SWD 1: VERTICAL, 1784' FNL, 1707' FEL Sec. 30;  
SOUTH WELD SWD 4: DIRECTIONAL, SHL 1779' FNL, 1347' FEL Sec. 30, BHL, 410' FNL, 2245' FEL Sec. 31;  
Both Township 1 North, Range 66 West;  
Adjacent UIC SWD Facility to include: 3 Sludge Tanks, 12 Water Tanks, up to 4 Injection Pumps, 3 Gunbarrells,  
a Pump Building, with an entrance off C.R. 27, approximately 1600' south of C. R. 6.**

Siting Rationale: NGL has worked closely with Weld County Planning Department in siting this location. All land used in this development will Zoned Industrial I-3 prior to commencing operations. This location consolidates the development as far from offsetting Building Unit as possible. While this is technically an Urban Mitigation Area, (UMA) it only triggers this designation due the square footage of other large industrial building in the area. Given the Industrial Zoning and surrounding land use this is an ideal site for this facility.

This notice shall serve as an invitation to engage in discussions with NGL regarding proposed operations and timing, local government jurisdictional requirements, and provide opportunities to collaborate regarding site development. If you wish to waive your right to notice under this rule provision, please sign and return one copy of this letter in the self-addressed stamped envelope provided herein.

If you should have any questions or require additional information, please contact me at 720-420-5748 or via email at [derek.petrie@iptenergyservices.com](mailto:derek.petrie@iptenergyservices.com). Thank you for your consideration of this matter.

Sincerely,
