 VEGETATIVE COVER _____

Comment:

Operator has performed final reclamation activities at the location. Vegetative assessment was only conducted at the battery location, not the well location or well access road. Does not appear the location was planted with reference crops. Location will remain in-process until the location meets Rule 1004 standards.

Operator shall continue to monitor and manage this site until the location meets Rule 1004 standards. Operator shall submit a Form 4 Final Reclamation Complete notice when the location meets Rule 1004 standards. COGCC may conduct follow up inspections prior to receiving said notice to ensure compliance with Rule 1004.
