**General Comment:**

This is a followup inspection for inspection number 680602116 conducted on October 18, 2017. Any corrective actions not addressed from previous inspections are still applicable. A field inspection was conducted on July 25, 2018 and followup with a database review on August 17, 2018. A variance to extend the interim reclamation date at this location is submitted to the COGCC and is under review at this time.
