Comment:

Site has not been Reclaimed for Final Reclamation; is infested with Noxious and annual Debris weeds; has not been de-compacted, had gravel removed or been seeded. Tanks visible in 2010 Location Photos have been removed. Other Facilities (risers, could be Receiver Site detailed in Construction Layout Drawings) which appear to be related to Location remain on site; these facilities have Location sign with Laramie Energy identified as Operator. Caerus Tank & Facility is adjacent, situated off Southwest corner of subject location. Existing Pipe and Gas lines are shown in construction drawings which run along East & South sides of site. Refer to Photos attached.

Corrective Action:

Perform Final Reclamation per COGCC 1004 Rules; Reclamation Activities to be complete by November 15, 2018. Control Noxious Weeds, monitoring & controlling Weeds after completion of Reclamation Activities, during establishment of desirable Vegetation, until Location is passed for Final Reclamation.
