RE: Rule 603.a(2) Exception Location Request

Petro Operating Co, LLC: **BEF Pad**: NESE & SENE, Sec. 2-T1S-R66W, Adams County, Colorado

Dear Director Murphy,

This Exception Location Request is being submitted for the subject well pad & facility due to some of the well locations being within 150 feet from a surface property line. A Signed Exception Location Waiver executed by the affected Surface Owner is attached to the permits for the complete location. Based upon the above data Petro Operating Co., LLC respectfully requests that the Director grant this Exception Location Request to the setback distance requirements set forth in Rule 603.a(2).

Should you have any questions or concerns please contact the undersigned at 720-420-5747.

Sincerely,

Paul Gottlob
