OPERATOR COMMENT AND SUBMITTAL

Comment: Berms have been repaired and stained soil in various places has been removed.
The tubing and rods were on location due to recent work to protect the producing zone in this well while the new Mallard Exploration well was frac'd directly south. The Osprey well is scheduled to be put back online in the next few weeks.

I hereby certify that the statements made in this form are, to the best of my knowledge, true, correct, and complete.
