Mr. Charles Terrell  
1025 West Mulberry  
Ft. Collins, Colorado

Dear Sir:

This letter is being written with reference to our telephone conversation about the well that Kd Drilling drilled on the Terrell property.

Our rules and regulations list several paragraphs that pertain to plugging and clearing up the lease. These main articles are found in the following paragraphs 319(j), 337, 338, and 340.

Enclosed you will find a copy of the Rules and Regulations, the new law, and a copy of the plugging record of the well in question.

Very truly yours,

OIL & GAS CONSERVATION COMMISSION
