Representative:

OPERATOR COMMENT AND SUBMITTAL

Comment: Storm water BMP's previously installed were repaired on 5/1/18. Additional BMP installed to control erosion rilling that had started. Other work completed during storm water repairs as noted in attached document. See attached document for all work completed with photos.
Additional work performed, but not noted on inspection consisted of clean up of operator and landowner debris found on location, clean up of stained soils around the well head and repair/replacement of well sign. Please see attached.

I hereby certify that the statements made in this form are, to the best of my knowledge, true, correct, and complete.
